

Reminder 6th AUSTRALIA VANUATU BUSINESS FORUM 28 February 2019

This is a reminder that 6th AUSTRALIA VANUATU BUSINESS FORUM will be held on Thursday 28th February 2019 at Ramada Resort Port Vila, Vanuatu.

Join the Australia Pacific Islands Business Council (APIBC) at the forum for a great overview of opportunities in Vanuatu as well as updates on economy, infrastructure, investment, and the labour market. This forum is a must for any business operating in the region or looking to do so.

This Forum comes at a particular exciting time for Australian and Ni-Vanuatu business and for the Vanuatu economy following recent announcements by the Australian Prime Minister on Australia's Pacific policy including new funding arrangements for infrastructure development in the region and other new projects, the introduction of an Australia Pacific Travel Card to facilitate travel between Pacific islands countries and Australia, and specific new engagement with Vanuatu in relation to the training and support for Vanuatu Police. Concurrently work is being undertaken by superannuation funds and other national wealth institutions in the Pacific to group together as the Pacific Islands Investment Forum to jointly support funding of new sustainable infrastructure.

This forum is a great opportunity to get up to date information on investment, trade, business opportunities and current events in Vanuatu.

Registration fee is AU\$200 early bird for Delegates, or AU\$230 for Delegate + trade exhibitor. Early bird discounts will end on 31st January 2019.

Register and book online today and secure your spot.
